## **Hose Assembly Kitting – Team Leader**

**Hours: - 7:30AM to 5PM Monday to Friday plus Saturday mornings on a rota basis**

**Job Type: Full-time**

**Salary: Competitive - plus regular overtime**

Eastern Hose and Hydraulics specialises in the assembly and distribution of hydraulic, industrial and OEM Products. Our commitment to investment, branding and service offerings has seen unprecedented levels of growth. This has resulted in excellent opportunities for a Hose Assembly Kitting Team Leader to join our team and to be part of the exciting future of Eastern Hose.

In this role you will be part of our OEM team that are assembling hose kits for all our OEM customers around the UK. We are looking for someone with supervisory skills, great organisation skills and the ability to work to tight deadlines. Formal and in-house training will be provided.

### **Main Duties:**

- To lead a team responsible for kitting up hose assemblies into orders for customers
- Kitting will involve wrapping hoses, applying colour coded tape, putting various hoses and adaptor kits together
- Responsible for picking adaptor kits for hose assembly orders
- Ensuring that all kits are labelled accurately as per customer requirements
- Ensuring that all kits are packaged as per customer requirements
- To support the business with product stock counts and PI counts as and when required.
- To ensure that work areas are always clean and hazard free
- To actively contribute to the overall team activities and promote good working practices
- To be flexible in providing cover for other areas within the workshop as and when required
- Ensuring that all work meets the high standards we work to

### **Other Requirements:**

- To work overtime when required
- To build constructive and collaborative working relationships
- Passion and enthusiasm for the company
- Well organized and focused on quality.
- Good interpersonal skills.
- Ability to work as part of a team or on your own.
- Ability and aptitude to learn
- Demonstrate a positive “can do” approach to work
- Adhere to company Quality, Health, Safety policies

If you are enthusiastic with a great work ethic, a ‘can do’ attitude and can consistently produce accurate results, whilst working to strict deadlines, we want to hear from you!
